My Math Adventure

Math & thinking activities · Ages 4-5

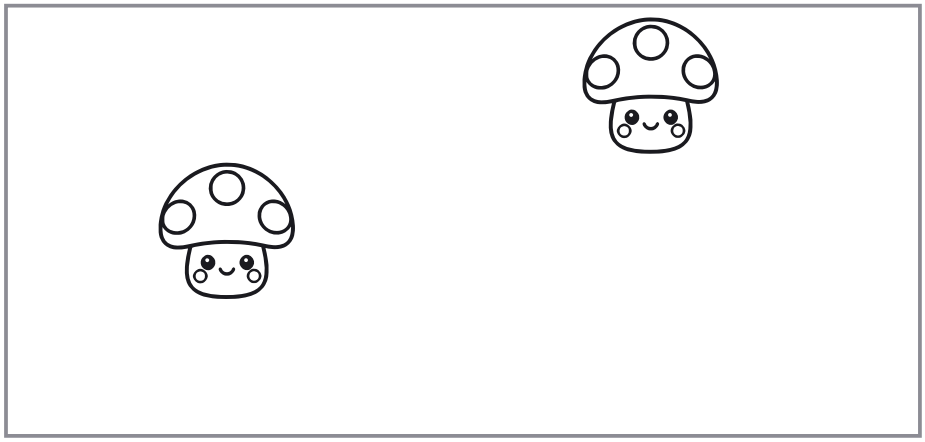

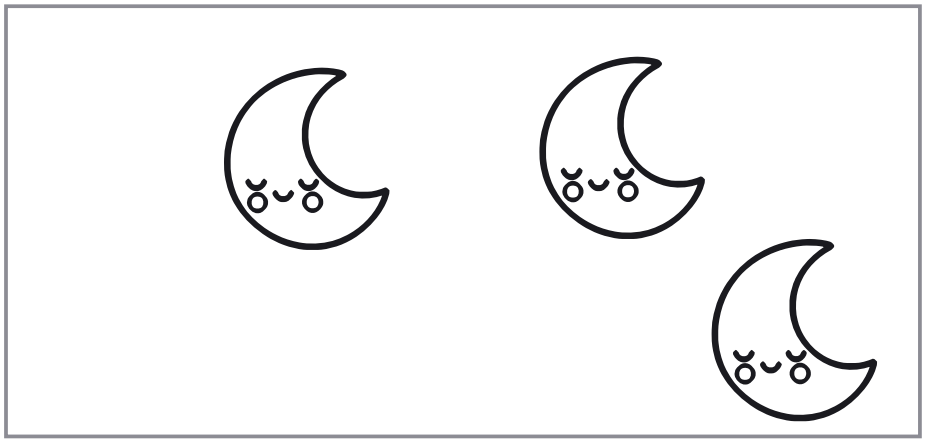

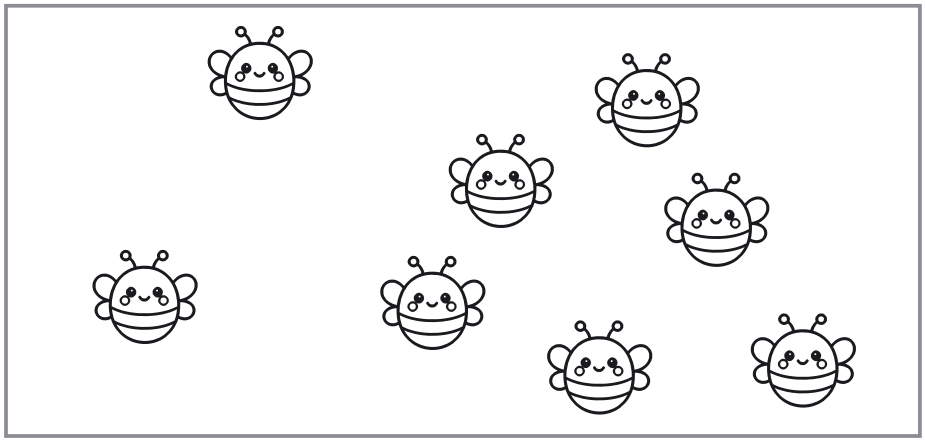

Counting Meadow

Blooming great, friend!

Count the pictures. Write the number in the box.

Name: _____ I did it! ☆☆☆

Number Trail

Almost there!

Trace each number with your finger, then with a pencil.

1	1	1	1
4	4	4	4
5	5	5	5
9	9	9	9

Name: _____ I did it! ☆☆☆

Counting Meadow

You finished Counting Meadow! Colour Ollie the Owl, then colour a flower on your map.

Certificate of Adventure

This certifies that

_____

explored all 5 lands and cracked the secret code!

Date: _____

Did you enjoy these pages?

They are a free sample from "My Math Adventure", a 37-page math workbook for ages 4–5.

The full book has 20 activity pages across 5 lands, a secret code to crack, a certificate and answers for grown-ups. It can be made with your child's name on the cover.

Free sample: print as many copies as you like for your own family.
